

## **EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY**

in

*Pure Magnesium from China*

Inv. No. 731-TA-696 (Second Review)

On December 5, 2005, the Commission determined that it should conduct a full review in the subject five-year review pursuant to section 751(c)(5) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(5).<sup>1</sup>

The Commission received a response to its notice of institution from US Magnesium LLC, a domestic producer of pure magnesium. The Commission determined that this response was individually adequate. The Commission also determined that the domestic interested party group response was adequate. The Commission received no response from any respondent interested party and determined that the respondent interested party group response was inadequate.

In light of a desire to further examine the definition of the domestic like product in this review, the Commission found that circumstances warranted conducting a full review.

A record of the Commissioners' votes is available from the Office of the Secretary and the Commission's web site (<http://www.usitc.gov>).

---

<sup>1</sup> Chairman Koplan and Commissioner Hillman dissenting, voting for an expedited review in the absence of an adequate respondent interested party group response to the Commission's notice of institution.
