

EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

Folding Gift Boxes from China
Inv. No. 731-TA-921 (First Review)

On March 6, 2007, the Commission determined that it should proceed to an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(B).

The Commission determined that the domestic producer response filed by the Harvard Folding Box Company was individually adequate. The Commission further determined that the domestic interested party group response was adequate because this producer accounts for a majority of the domestic production of folding gift boxes.

The Commission did not receive a response from any respondent interested party in the review and, therefore, determined that the respondent interested party group response was inadequate.

Given the absence of an adequate respondent interested party group response, and any other circumstances that might warrant proceeding to a full review, the Commission determined to conduct an expedited review. A record of the Commissioners' votes is available from the Office of the Secretary and the Commission's web site (<http://www.usitc.gov>).
