

## **EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY**

in

*Porcelain-on-Steel Cooking Ware from China*  
Inv. No. 731-TA-298 (Third Review)

On January 4, 2011, the Commission determined that it should proceed to an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(B).

The Commission received a single response to the notice of institution filed by Columbian Home Products, LLC (“Columbian”), a domestic producer of porcelain-on-steel (“POS”) cooking ware. The Commission found Columbian’s individual response to be adequate. In light of Columbian’s assertion that it is the sole domestic producer of POS cooking ware, the Commission further determined that the domestic interested party group response was adequate.

The Commission received no response from any respondent interested party, and therefore determined that the respondent interested party group response to the notice of institution was inadequate. In the absence of an adequate respondent interested party group response or any other circumstances warranting a full review, the Commission determined to conduct an expedited review.

A record of the Commissioners’ votes is available from the Office of the Secretary and the Commission’s web site ([www.usitc.gov](http://www.usitc.gov)).
