

EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

Granular Polytetrafluoroethylene Resin from Italy
Inv. No. 731-TA-385 (Third Review)

On May 2, 2011, the Commission determined to conduct an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(B).

The Commission received a single response to its notice of institution from the sole domestic producer of granular polytetrafluoroethylene resin, E.I. DuPont de Nemours & Co. The Commission found this response to be individually adequate. The Commission also found that the domestic interested party group response to its notice of institution was adequate.

No responses were received from any respondent interested parties. Consequently, the Commission determined that the respondent interested party group response was inadequate.

The Commission did not find any circumstances that would warrant conducting a full review of the order. The Commission, therefore, determined to conduct an expedited review of the order.

A record of the Commissioners' votes is available from the Office of the Secretary and on the Commission's website (<http://www.usitc.gov>).
