

## **EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY**

in

*Sorbitol from France*, Inv. No. 731-TA-44 (Second Review)

On May 7, 2004, the Commission determined that it should proceed to an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(B).

The Commission received responses from domestic producers Archer Daniels Midland Co., Roquette America, Inc. and SPI Polyols, Inc. The Commission determined that the responses were individually adequate. The Commission also determined that the responses were an adequate domestic interested party group response because the three producers account for all domestic production of the like product.

The Commission did not receive a response from any respondent interested party. Consequently, the Commission determined that the respondent interested party group response was inadequate. The Commission did not find any circumstances that would warrant conducting a full review. The Commission therefore determined to conduct an expedited review. A record of the Commissioners' votes is available from the Office of the Secretary and the Commission's web site (<http://www.usitc.gov>).
