

## EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

*Artists' Canvas from China*  
Inv. No. 731-TA-1091 (Review)

On August 5, 2011, the Commission determined to expedite the subject five-year review pursuant to section 751(c)(3)(b) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(b).

The Commission received a joint response to the Commission's notice of institution filed on behalf of Tara Materials, Inc.; Duro Art Industries, Inc.; Arkwright Advanced Coating, Inc.; BF Inkjet Media, Inc.; and Intelicoat Technologies, which identified themselves as domestic producers of artists' canvas ("domestic interested parties"). The Commission found this joint response to its notice of institution to be individually adequate for each of the responding firms. The Commission further determined that the domestic interested party group response was adequate under the circumstances of this particular industry.

The Commission did not receive a response from any respondent interested party in the review and, therefore, determined that the respondent interested party group response was inadequate for the review.

The Commission did not find any circumstances that would warrant conducting a full review of the order. Therefore, the Commission determined to conduct an expedited review.

A record of the Commissioners' votes is available from the Office of the Secretary and the Commission's web site (<http://www.usitc.gov>).
