

**EXPLANATION OF COMMISSION DETERMINATIONS ON ADEQUACY**  
in  
*Certain Welded Stainless Steel Pipe from Korea and Taiwan*  
Inv. Nos. 731-TA-540 and 541 (Third Review)

On October 4, 2011, the Commission determined that it should conduct expedited reviews in the subject five-year reviews pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(3)(B).

The Commission received a joint response to its notice of institution, with company specific data, from four domestic producers of welded stainless steel pipe: Bristol Metals LLC, Felker Brothers Corp., Marcegaglia U.S.A. Inc., and Outokumpu Stainless Pipe. The Commission found the individual response of each of these domestic producers to be adequate. Because these producers collectively account for a substantial percentage of domestic production of welded stainless steel pipe, the Commission determined that the domestic interested party group response was adequate.

No responses were received from any respondent interested parties. Consequently, the Commission determined that the respondent interested party group response was inadequate.

The Commission did not find any circumstances that would warrant conducting full reviews of the orders. The Commission, therefore, determined to conduct expedited reviews of the orders.

A record of the Commissioners' votes is available from the Office of the Secretary and on the Commission's website (<http://www.usitc.gov>).
