

EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY
in
Crepe Paper Products From China,
Inv. No. 731-TA-1070A (Review)

On March 8, 2010, the Commission determined that it should conduct an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)(3)(B)).

The Commission received a single response filed by Seaman Paper Company of Massachusetts, Inc. (“Seaman”), a domestic producer of crepe paper. Seaman is a major producer of crepe paper. The Commission found the individual response of Seaman to be adequate. The Commission also determined that the domestic interested party group response to its notice of institution was adequate.

No responses were received from any respondent interested parties. Consequently, the Commission determined that the respondent interested party group response was inadequate.

The Commission did not find any circumstances that would warrant conducting a full review of the order. The Commission, therefore, determined to conduct an expedited review of the order.

A record of the Commissioners’ votes is available from the Office of the Secretary and on the Commission’s website (<http://www.usitc.gov>).
