

EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

Certain Tow-Behind Lawn Groomers and Parts Thereof from China
Inv. No. 731-TA-1153 (Review)

On October 6, 2014, the Commission unanimously determined to conduct an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. §1675(c)(3)(B).

The Commission received an adequate response to the notice of institution from Agri-Fab, Inc., a U.S. producer of certain tow-behind lawn groomers and parts thereof (“TBLGs”). Because the Commission received an adequate response from an interested party accounting for a substantial share of U.S. production of TBLGs, the Commission unanimously determined that the domestic interested party group response was adequate.

Because no respondent interested party filed a response to the notice of institution, the Commission unanimously determined that the respondent interested party group response was inadequate.

The Commission did not find any circumstances that would warrant conducting a full review. The Commission, therefore, determined to conduct an expedited review of the order.

A record of the Commissioners' votes is available from the Office of the Secretary and at the Commission's web site (www.usitc.gov).
